A screenshot of a forum post form. At the top is a text input field with a blue dropdown arrow on the right. Below it are three checkboxes: 'Disable BBCode in this post', 'Disable Smilies in this post', and 'Notify me when a reply is posted'. The 'Notify me when a reply is posted' checkbox is checked. At the bottom of the form is a grey bar containing two buttons: 'Preview' and 'Submit'. A red arrow points from the 'Preview' button up to the text input field, and another red arrow points from the 'Submit' button down to the text input field.

When you are happy, click “submit” and your text will be posted on the forum
