The screenshot shows a web browser window displaying the website for the Nuffield Department of Population Health, part of the University of Oxford's Medical Sciences Division. The browser's address bar shows the URL www.ndph.ox.ac.uk/team. The page header includes navigation links for Site Map, Accessibility, Cookies, Contact us, Log in, and Intranet, along with the University of Oxford logo. A main navigation menu contains links for HOME, ABOUT US, RESEARCH, STUDY WITH US, NEWS, EVENTS, PUBLICATIONS, and OUR TEAM. A search bar is located in the top right corner.

The main content area is titled "Our team" and features a search box labeled "Search by keywords" and a filter by last name dropdown menu with letters A through Z and a "clear" button. Below this is a "Filter by name" input field. A horizontal menu categorizes staff into "Senior Staff", "DPhil Supervisors", "Teaching and Research Staff", "DPhil Students", and "Student Administration Team".

Staff profiles are displayed in two rows. Each profile includes a small portrait photo, the staff member's name, and their title. The first row includes Jane Armitage (Professor of Clinical Trials and Epidemiology, and Honorary Consultant in ...), Colin Baigent (Professor of Epidemiology and Deputy Director, CTSU), Valerie Beral (Professor of Epidemiology and Co-Director, CEU), and Zhengming Chen (Professor of Epidemiology and Director of China Programmes). The second row includes Robert Clarke (Professor of Epidemiology and Public Health Medicine), Rory Collins (Head of Nuffield Department of Population Health and BHF), Sarah Darby (Professor of Medical Statistics), and Ray Fitzpatrick (Professor of Public Health and Primary Care).

A blue banner at the bottom of the page contains a "Cookies on this website" notice. The text reads: "We use cookies to ensure that we give you the best experience on our website. If you click 'Continue' we'll assume that you are happy to receive all cookies and you won't see this message again. Click 'Find out more' for information on how to change your cookie settings." There are "Continue" and "Find out more" buttons.

The Windows taskbar at the bottom shows several open applications, including Microsoft Office, Banqueting menu A..., ScheduleSymposiu..., breast screening, Our team — Nuffiel..., and Document1 - Micro... The system clock shows 01:25.
